

Take the LEFT lane out of the airport and turn left, signed in green for the "Ljubljana/Kranj" motorway.

Take the FIRST LEFT turn signed in green to Jesenice/Ljubljana.

At the fork, go RIGHT, following the green sign onto the motorway in Jesenice direction, (not Ljubljana.)

Stay on motorway (130km/hour )

About 10-15 minutes, fork LEFT staying on the A2/E61 green sign to Beljak/Villach/Jesenice (not blue sign right to Klagenfurt)

The road becomes single carriage way and keep to speed limits, as often police about!!!

After another 10 minutes straight on on a single road, follow the green signs to Villach/Beljak/Kr. Gora (a slight left fork)

Now on motorway again

After Jesenice services, take road to HRUSICA/JESENICE/ KR. GORA, yellow sign. DON'T MISS THIS OR YOU'LL END UP IN AUSTRIA!!!!

Go up the slip road and be aware of a road that comes in from the left, and give way on to this road.

At T junction, turn LEFT to Kr. Gora/ Trbiz

Follow this single road for about 4km.

Ignore first sign to Mojstrana

Take second turn to Mojstrana/Vrata on LEFT, at a zebra crossing with flashing orange lights.

The road drops down and bends round to a STOP sign.

Go straight over, on the bridge over the Reka Sava Dolinka

Road is really narrow.

Follow road till you see the MERCATOR supermarket and our house is on your right
